gofos™
Makes Fibers Greater

WHAT IS GOFOS™?

GOFOS™ is a soluble prebiotic fiber that stimulates the growth and activity of beneficial bacteria in the gut, supporting the immune system, improving pets' health & wellbeing.

GOFOS™ high purity short chain fructo-oligosaccharides (sc-FOS) contain 95% min. derived from non-GMO beet sugar.

GOFOS™ is a soluble prebiotic fiber, upgrading your product to meet customer's demands for healthier pet food.

Prebiotics are known to contribute to a balanced intestinal microbiota and to stimulate immune defenses.

Pet owners focus on the quality of their pet's diet and seek products that are enriched with healthy ingredients.

Pet owners are interested in the quality of their pets' diet and seek products that are enriched with healthy ingredients.

Prebiotic Effect	Healthy Gut	Reduces Stool Odors	Enhances Immunity	Nutrient Absorption

TECHNICAL PROPERTIES

GOFOS™ is suitable for canned and dry food: stable in pasteurization and extrusion conditions

sc-FOS prebiotic fiber, remains undigested by enzymes in the stomach or small intestine and is rapidly fermented (due to its short chains) in the upper part of the gut. It nourishes and promotes the growth of beneficial gut bacteria and inhibits the proliferation of potential harmful bacteria.

sc-FOS stimulates the production of Short Chain Fatty Acids (acetate, butyrate, and propionate) in the gut that provides energy to the intestinal mucosa and helps strengthen the gut barrier.

GOFOS™ does not contain any chemical, synthetic or any other food ingredient and is 100% additives free.

GOFOS™ complies with AFFCO definition of Naturality and meets the requirements set by European Pet Food Industry Federation (FEDIAF) for a natural substance in pet food.

Applications

- Wet / Dry food
- Treats / Snacks
- Food Supplements
- Clinical Nutrition

Regulatory Status
BRAZIL: MAPA
USA: AAFCO (60.105)
EU: EU Regulation N° 68/2013

Labeling:
Fructo-oligosaccharides
FOS
oligofructose

Handling:
Store in cool and dry conditions

Shelf Life:
30 months (powder)

Galam's Certifications:
ISO 9001:2015,
FSSC 22000,
ISO 14001, ISO
45001, FSMA, GMP
KOSHER / HALAL
